

Building Blocks for Sustainable Communities

In Partnership with the Junction Coalition, the City of Toledo, Lucas County, the University of Toledo, and NeighborhoodWorks Toledo

JUNCTION NEIGHBORHOOD *is* HOT

Help us figure out the best way to cool it down.

You are invited to a **community workshop** to learn about possibilities and share your ideas on how to make the community cooler. Ideas that we will explore include planting trees, revitalizing vacant properties as green space, and community and youth engagement.

Registration is
