2. Limited Remodeling Contractor. Restricted to residential improvements, such as window replacement, installation of insulation, fencing and swimming pools greater than 24" in depth.

To secure licensing, both categories of remodeling contractors are tested by the City's Board of Control for Home Improvement and Remodeling Contractors, with the assistance of the staff of the Division of Building Inspection. Failure to appear for a test will cause the application to be closed. No refund will be granted. Specially administered exams may be scheduled for an additional fee.
