Come out to the Swayne Field Shopping Center, at Monroe Street and Detroit Avenue for the Pop-Up Produce Market, kicking off September 4th and 5th! Then, every Saturday from 10 AM to 3 PM through October 24th, you can shop for a wide variety of fresh, affordable foods, including fresh fruits and vegetables, herbs, potatoes, onions, leafy greens, tomatoes, and so much more! It's a great way to eat healthier, shop affordably, and support your community—all in one convenient location!
