Join us for the **Lead Safe Toledo Landlord-Tenant Education Fair**, a special event designed to help both landlords and tenants understand their roles in creating safe, healthy homes. This event is part of National Lead Poisoning Prevention Week (October 19–25) and supports the City of Toledo's **#LeadSafeToledo** initiative, which is working to eliminate childhood lead poisoning through education and enforcement of the city's lead safe law.

What to Expect:

- Landlords will meet in the **McMaster Center**, with sessions focused on lead-safe ordinance compliance, lead disclosures, and identifying lead hazards.
- Tenants will meet in the **Small Glass Meeting Room**, with sessions focused on identifying lead hazards and lead-safe cleaning.
- Attendees may join one session or stay for the whole day.
- Lunch provided for all attendees.
- **BONUS:** The first 50 tenants to arrive will receive a free lead safe cleaning kit (valued at \$90).
