It's Summertime Toledo!

2022 Summer Program Guide
From Mayor Wade Kapszukiewicz

Summer is an exciting time for everyone, but it’s an especially fun time for kids.

In this guide, you will find a listing of all of the many kid-friendly, family-friendly programs that are available in Toledo this summer. Working with countless community partners, we have funded the largest and most expansive list of youth activities in Toledo’s recent history.

Whether it’s a sport, a camp, a mentorship opportunity, or a job, there is something here for every kid — regardless of age, zip code, or ability to pay.

When we say “You Will Do Better in Toledo,” we mean everyone — including our youngest Toledoans.

So no more excuses, Toledo. There is plenty for kids to do this summer. Search this list to find the activity that is right for your child and have a safe, happy, and fun summer!

Wade Kapszukiewicz
Mayor, City of Toledo
Table of Contents

THE PINEWOOD TABERNACLE
The Tabernacle Summer Camp at McClinton Nunn
Students residing at McClinton Nunn Homes can be involved in engaging art, sports, STEM, academic, and social emotional learning activities throughout the day. We support students in a safe and thriving community.

McClinton Nunn Community Center
425 Nebraska Ave.
June (during TPS Summer School) Mon-Fri, 2-5 p.m.
July 11 through August 12
Mon-Fri, 8:30 a.m.-4:30 p.m.
Entering 1st-8th grades

HUMAN RELATIONS COMMISSION
Youth Empowerment and Engagement Committee
We work to engage City of Toledo youth in positive activities, job training, and education. Youth members work alongside the adult committee members to provide a youth perspective as events are planned and initiatives are supported.

Ongoing
Second Wednesday of the month
Ages 15+

MY FIRST DAYS DAYCARE
My First Days Daycare and Learning Center
My First Days has created a weekly summer activity plan, that provides daily activities that promote outdoor recreational activities, sports, fitness, dance, music, entertainment, community volunteering, and many educational experiences.

My First Days Daycare and Learning Center
580 N. Byrne Rd.
Ages 3-13

SOUND MIND BEHAVIORAL WELLNESS
Sound Mind Summer Enrichment Program
We provide programming that delivers a safe, secure and inclusive environment to nurture the potential of each youth participant. Youth can expect to develop valuable life skills through fun activities and adventures.

Sound Mind Behavioral
5726 Southwyck Blvd. Suite 200-B
June 13 through August 4
Mon-Thur, 10 a.m.-2 p.m.
3rd-8th graders

YMCA OF GREATER TOLEDO
YMCA Y Achievers Program
Y Achievers assists teens in meeting high school academic and career expectations. The program develops minds, builds character, a strong work ethic, and reinforces the importance of education.

West Toledo YMCA
2110 Tremainsville Rd.
Wayman Palmer YMCA
2053 N. 14th St.
Year-Round
Mon-Fri, 3-6 p.m.
Ages 14-18

CONNECTING KIDS TO MEALS
Summer Meal Program
Connecting Kids To Meals provides healthy meals at no cost to kids ages 18 and under located in low-income and underserved areas of our community. CKM partners with schools, libraries, shelters, community centers, pools, and parks.

Meal sites across Lucas County
Full schedule will be online soon.
connectingkidstomeals.org

- Styrofoam and boat wrap (only available April 23, May 7 and May 21)
- Medical equipment (only available April 23, June 11, July 30, and August 6)
Lead Line Replacement

The City of Toledo is replacing all city and customer owned lead service lines. If your home was built before 1989, you may have lead pipes. Register online or by phone to have your lead pipes replaced at no cost to you.

toledo.oh.gov/lead-lines  419-936-2020

What is a service line?

A service line delivers water from the water main to your house. It is split into two pieces at your property line.

1. City side: owned and maintained by the city. Replacement is ongoing.

2. Customer side: owned and maintained by the property owner. Register online to have yours replaced.

Is my water safe?

Yes. To keep our customers safe the department has been utilizing specific water chemistry to coat the pipes and services in our system, encasing any lead or harmful particles allowing for safe clean drinking water. Required annual lead testing has consistently shown our water is free of lead and safe to drink.
